

Printing Waste Disposal Program

What is this program?

PEP Waste Disposal Program services makes the printing waste disposal process simple, economical, and worry free. Through our joint partnership with Safety-Kleen, you can obtain a complete range of waste disposal services to meet your needs at a deeply discounted rate.

What are the benefits of participating in this program?

- Deep discounts with Safety-Kleen by being a Kodak customer.
- Peace of mind. Safety-Kleen is a reputable company that is well insured and fully capable of properly disposing of printing wastes.
- Certificate of assurance and indemnification. This assures that waste removed from your facility will be disposed of in accordance with all local, state and federal regulations.
- Prompt service-usually 3 business days.

How do I participate in this program?

- Call the EnviroServices Hotline at (877) 574-7274 to make a request for service, or email your request to PEP@kodak.com.
- Provide your name, company name, address, email, and phone and fax #'s, and the services needed.

Printing Waste Disposal Program

- We will provide your waste disposal service request to Safety-Kleen, which enables you to receive the special Kodak customer premium discount.
- Safety-Kleen will arrange to pick up your waste with you directly and bill you.

What is the disposal cost?

Kodak has negotiated premium preferred pricing for Kodak customers wanting to dispose printing wastes with Safety-Kleen by leveraging volume through a national program. Customers will be quoted a price by Safety-Kleen after the request for disposal is made. Once the customer agrees to the service and price, Safety-Kleen will be directly responsible for arranging the shipment of the waste from your location, disposal and billing with you.

More Information

This service is part of Kodak's Printer's EnviroServices Program (PEP). Helping customers with environmental concerns and compliance is a major commitment of Kodak. PEP consists of a comprehensive range of environmental and safety products and services specially designed to allow Kodak GCG customers to meet their environmental, safety, and health objectives in a cost-effective manner.
